

Dento Care

This toothpaste has been formulated by Allium Vitalis, CA Berkeley. The combination of Ayurvedic herbs, minerals and oils gently cleans the teeth and gums while leaving the mouth feeling refreshed. Neem extract and onion oil as active ingredients have proven benefits in oral care and ensures the optimum dental hygiene. Avoiding the common “unnatural” ingredients like fluoride, artificial sweeteners, dyes, preservatives or harsh chemicals, Dento Care provides safety in maintaining dental hygiene with its completely natural ingredients.

Ingredients: Calcium Carbonate, Sorbitol, Sodium Lauryl Sulphate, Neem Extract, Mint, Onion Oil, Basil extract, Peppermint, Glycerine Sodium Chloride.

Onion oil, due to its antimicrobial properties, fights against microbes adhering to the teeth to prevent dental caries, while providing toothache relief. Health benefits of Neem (Azadirachtaindica) includes antibacterial and anti-inflammatory activities and thus prevents cavities and gum diseases. The fruit like smell and the essential fatty acids of Neem leaf extract also serve as an effective mouthwash.

Benefits:

- Avoid Gingivitis
- Avoid Plaque Build up
- Avoid Cavities
- Avoid Tooth Decay
- Relieve Toothache
- Fight Bad Breath
- Strengthen Teeth
- Reduce Teeth Sensitivity

Directions: Adults and children 2 years and above are recommended to brush teeth with Dento Care thoroughly after meals or at least twice a day, or as recommended by the dentist. Product should not be swallowed.

Product patent pending in USA, European Union and Bangladesh. Manufactured under license from Allium Vitalis, Berkeley, CA, USA.
